# Discover your Isle of Man

Thanks to our Victorian railways and a comprehensive bus vannin service it couldn't be easier to get around.

## North by Electric

The **Derby Castle** terminus is at the northern end of Douglas Promenades and is shared with the **Douglas Bay Horse Tramway**. The terminus is served by frequent **Bus Vannin** services that also serve the **Steam Railway** station. Alight at Laxey for the unique **Snaefell Mountain Railway**. Laxey is also home to the Mines Trail which includes the Great Laxey Wheel and the fascinating **Great Laxey Mine Railway**.

North of Laxey, the tram stops at **Dhoon Glen**, **Glen Mona**, **Ballaglass** and **Cornaa**; all are ideal for exploring the spectacular glens and peaceful beaches along the coast. Further on, **Ballajora**, **Dreemskerry**, **Lewaigue** and **Belle Vue** provide the most convenient stops for exploring Maughold Church, home to a unique collection of Norse and Celtic stone crosses and the rugged coastline around Maughold Head. At the northern end of the line is **Ramsey** with its impressive Victorian boating lake at Mooragh Park. There are shops in the narrow streets near the harbour with a wealth of retailers, cafés, restaurants and pubs including Fynoderee Distillery adjacent to Ramsey Tram Station. Ramsey is also home to the imposing Queen's Pier at 2,241 feet long which is currently undergoing a long term restoration project. The Ramsey Pier Tramway operates when the pier is open to the public. On the outskirts of town can be found two more of Ramsey's famous attractions - The Grove Museum of Victorian Life and Milntown House.

## South by Steam

**Douglas** Station can be found at the inner end of Douglas Harbour. From here it's just a short trip to **Port Soderick** and **Santon** - ideal stops for exploring the dramatic coastline south of the capital. The ancient monastery of Rushen Abbey is found at **Ballasalla** and a leisurely stroll along the river brings you to Silverdale Glen with its café, boating lake and children's play area.

Further along the line at **Castletown** you will find four unique heritage sites; Castle Rushen, the Nautical Museum, the Old Grammar School and the Old House of Keys. Nearby there are shops, pubs and restaurants to visit. At the end of the line you will find **Port St Mary** and **Port Erin**. With their sandy beaches, sheltered harbours, cafés and activities, both villages have become favourite destinations for families. If you want to learn more about your journey South on the Steam Railway then why not take the opportunity to visit the Port Erin Railway museum which houses a fine collection of locomotives, coaches and memorabilia.
